Guidelines

Mission

The International Academy of Body Contouring and Laser Lipolysis fosters, promotes, supports and develops the science, art and practice of laser lipolysis and body contouring according to latest technological developments and clinical findings within an advanced training series under the guidance of practitioners acting through an academic entity.

Membership Benefits

Joining the Academy as a member is free! Membership is open to all medical professionals involved in the field of aesthetic medicine. The professional and cultural diversity of our members is a key success factor for the organization.

Networking with other members (focus group meetings) for improved quality outcomes to everybody's benefit, i.e. practice/clinic, patient, industry.

Learning about new aesthetic treatments for an enhanced practice workflow (increased patients and revenues = profitable medicine).

Business and marketing support (promotion & strategies).

Consumer awareness / generate patients (i.e. through PR & Internet).

Invitations to exclusive Academy events.

Use of Academy logo for your website and "official" Academy member lapel pin.

Name (printed): _____
